Fuan Group's brief introduction

Fuan Group was established in 2004, and successfully listed on the Shenzhen Stock Exchange in March, 2011 (Stock code 300194).

At present, Fuan Group becomes a large-scaled pharmaceutical group integrating intermediates, APIs and finish dosage formulations. Based on Chinese domestic market, Fuan Group performs parallel development of science, industry and commerce.

As a professional pharmaceutical Group, Fuan has 9 subsidiaries and 3000 employees. All workshops for FDFs and APIs are designed in compliance with cGMP requirements.
