

Healthcare Resources

YOUR MATERIALS
OUR EXPERTISE

APOLLO HEALTHCARE RESOURCES

Mission, Vision and Values

- **Mission**

- Improve the quality of global life by supplying high quality material with affordable cost.

- **Vision**

- To become the most reliable and respected distributor of raw material of industries of pharmaceutical, Food & Beverage, and Personal Care.

- **Values**

- Customer centricity, excellence, perseverance, and joy.

Introduction to Apollo Healthcare Resources

- Apollo Healthcare Resources was established in 2011.
- Most comprehensive pharmaceutical raw materials distributor in Singapore. We are committed to meet diverse needs of our customers.
- Supported with GMP, FDA, DMF, CEP, etc., we supply over one thousand products to our customers globally. And all our products are accredited with proper certificates.

Introduction to Apollo Healthcare Resources

- Apollo's product range includes APIs, Excipients, Enzymes, Plant Extracts, Packaging Materials, etc. We mainly supply our products to pharmaceutical, Food & Beverage, and personal care industries.
- We provide tailored services that fulfill customers' various requirements, such as providing support in their R&D projects, new products sourcing, government approval & compliance, selection of packaging materials, etc.

Procurement & Logistics Team

- Our procurement and logistics team is stationed in China.
- Every product is sourced from the top 3 GMP pharmaceutical manufacturers and these eligible manufacturers are audited every two years.
- We consolidate all our orders and ship directly from China to our customers to save time and cost for them.
- As of now, Apollo is working with more than 800 manufacturers.
- Manufacturer base diversification, e.g. India, Japan, etc.

Top 200 APIs

API - 200 products

6-Aminocaproic Acid	Ambroxol HCl
Acarbose	Aminophylline
Aceclofenac	Amiodarone HCl
Acetaminophen/Paracetamol	Amlodipine Besylate
Acetazolamide	Apixaban
Acetylcysteine	Ataluren
Acitretin	Atenolol
Acyclovir/Aciclovir	Atorvastatin Calcium
Ademetionine 1,4-Butanedisulfonate	Azathioprine
Adenosine Disodium Triphosphate/ATP-Na2	Azithromycin Dihydrate
Albendazole	Benzocaine
Allopurinol	Benzylpenicillin Potassium
Alpha Lipoic Acid	Betamethasone Base

Betamethasone Dipropionate	Cefepime HCl with or without L-Arginine
Betamethasone Valerate	Cefotaxime Sodium
Bismuth Potassium Citrate	Ceftazidime with or without L-Arginine
Bisoprolol Fumarate	Ceftazidime with Sodium Carbonate
Bupropion HCl	Ceftiofur HCl
Butafosfan	Ceftriaxone Sodium
Calcium Folate/Leucovorin Calcium	Cephalexin Monohydrate
Candesartan Cilexetil	Cetirizine DiHCl
Captopril	Chloramphenicol
Carbidopa	Chlorhexidine Gluconate
Carbimazole	Chlorhexidine HCl
Carprofen	Ciclopirox Olamine
Cefazolin Sodium	Cinnarizine

Top 200 APIs (Con't)

Ciprofloxacin HCl	Desmopressin Acetate
Ciprofloxacin Lactate	Dexamethasone
Citalopram Hydrobromide	Dexamethasone Sodium Phosphate
Citicoline Sodium	Dexmedetomidine HCl
Clarithromycin	Dextrose Anhydrous or Monohydrate
Clindamycin HCl	Dibazol/Bendazol
Clindamycin Phosphate	Diclofenac Sodium
Clopidogrel Hydrogen Sulfate	Dihydrostreptomycin Sulphate
Clotrimazole	Diphenhydramine HCl
Creatine Phosphate Sodium	Dipyridamole
Crotamiton	Dipyrone (Metamizole Sodium, Analgin)
Cyproheptadine HCl	Doxorubicin HCl
Dabigatran Etexilate Mesylate	Doxycycline Hyclate

Doxylamine Succinate	Flunarizine DiHCl
Dydrogesterone	Fosfomycin Calcium
Enalapril Maleate	Fructose
Enoxaparin Sodium	Gemfibrozil
Epirubicin HCl	Glimepiride
Erythromycin Ethylsuccinate	Glipizide
Erythromycin Stearate	Glutathione
Ethamsylate	Heparin Sodium
Etravirine	Hydrochlorothiazide
Felodipine	Hydrocortisone acetate
Fenofibrate	Hydroxocobalamin Chloride
Flavoxate HCl	Hydroxychloroquine Sulfate
Florfenicol	Hydroxyethyl Starch

Top 200 APIs (Con't)

Hydroxyprogesterone Caproate	Loratadine
Ibuprofen	Lovastatin
Irbesartan	Loxoprofen Sodium
Kanamycin Acid Sulfate	Magnesium Chloride
Ketorolac Tromethamine	Magnesium Hydroxide
Lamotrigine	Magnesium Oxide
Lansoprazole	Mannitol
Levodopa	Mebeverine HCl
Levofloxacin Hemihydrate	Mecobalamin
Lidocaine HCl	Menadione Sodium Bisulfite
Lincomycin HCl	Meropenem Trihydrate
Lisinopril Dihydrate	Metformin HCl
Loperamide HCl	Methyldopa/alpha-Methyldopa

Metoclopramide HCl	Orlistat
Metronidazole	Oseltamivir Phosphate
Naphazoline HCl	Oxybutynin HCl
Naproxen	Pantoprazol Sodium
Neomycin Sulphate	Paracetamol
Nicotinamide	Phenylephrine HCl
Nicotinic Acid	Piracetam
Nifedipine	Piroxicam
Nimesulide	Potassium Chloride
Nimodipine	Potassium Iodide
Nonoxynol-9	Povidone Iodine
Ofloxacin	Prednisolone Acetate
Omeprazole	Prednisolone Sodium Phosphate

Top 200 APIs (Con't)

Progesterone	Sodium Acetate
Propofol	Sodium Chloride
Pyrazinamide	Sodium Citrate
Rabeprazole Sodium	Sodium Glycerolphosphate
Ranitidine HCl	Sodium Hyaluronate
Riboflavin Sodium Phosphate	Sodium Pantothenate
Rifampicin	Spiramycin
Rivaroxaban	Spironolactone
Ropinirole HCl	Streptomycin Sulfate
Rosuvastatin Calcium	Sulfamethoxazole
Rutin	Sulfanilamide
Sertraline HCl Form II	Tadalafil
Simvastatin	Taurine

Terazosin HCl	Valacyclovir HCl
Terbinafine HCl	Valsartan
Tiamulin Fumarate	Vardenafil HCl Trihydrate
Ticagrelor	Xylometazoline HCl
Tilmicosin	Zoledronic Acid
Tobramycin	
Tolperisone HCl	
Toltrazuril	
Tramadol HCl	
Tretinoin	
Triamcinolone Acetonide	
Trimethoprim	
Ursodeoxycholic Acid	

25 Vitamins

Vitamin - 25 products

Vitamin A: Beta Carotene	Vitamin B8: Inositol
Vitamin A: Retinyl Acetate	Vitamin B9: Folic Acid
Vitamin A: Retinyl Palmitate	Vitamin B12: Cyanocobalamin
Vitamin B1: Thiamine HCl	Vitamin B12: Methylcobalamin
Vitamin B2: Riboflavin base	Vitamin C: Ascorbic Acid
Vitamin B2: Riboflavin 5'-Phosphate Sodium	Vitamin D2: Ergocalciferol
Vitamin B3 or PP : Nicotinic Acid (Niacin)	Vitamin D3: Cholecalciferol
Vitamin B3 or PP: Nicotinamide	Vitamin E: DL-alpha-tocopheryl Acetate
Vitamin B5: Calcium D-pantothenate	Vitamin K1: Phylloquinone/Phytomenadione
Vitamin B5: D-pantothenic Acid	Vitamin K2: Menaquinone(MK-4 or MK-7)
Vitamin B5: Dexpanthenol	Vitamin K3: MSB or MNB
Vitamin B6: Pyridoxine HCl	Vitamin K4: Menadiol Diacetate
Vitamin B7: D-Biotin	

Top 116 Excipient

Excipient - 116 products

AcesulfameK/ Acesulfame Potassium	Calcium Hydrogen Phosphate	Cupric Citrate	Fumaric Acid
Adenine Hydrochloride	Calcium Stearate	Dextrin	Galacto-oligosaccharides/ GOS
Adenine Phosphate	Caramel	Dextrose Anhydrous or Monohydrate	Glucose Syrup
Aluminum Zirconium Glycinate Series	Carbopol	Dibasic Calcium Phosphate	Glycerol monostearate
Aspartame	Carboxymethyl Chitosan	Dimethicone	Glyceryl Stearate
Benzalkonium Chloride	Cetostearyl Alcohol	Dioxidine	Glyceryl Stearateand PEG-100 Stearate
Benzoic Acid	Chlorphenesin	Dipropylene Glycol	Hydrogen Peroxide
Benzyl Alcohol	Cocamide Diethanolamine	DL-Malic Acid	Hydroxy Propyl Methyl Cellulose/ HPMC
Benzyl Benzoate	Cocamidopropyl Betaine	DL-Thioctic Acid	Inosine
Beta-cyclodextrin	Coenzyme Q10	Ethyl Butylacetylaminopropionate	Inositol
Biotin	Cremophor	Ethyl Oleate	L(+)-Tartaric acid
Calcium Gluconate	Croscarmellose Sodium	Fish Peptone	Lactic Acid
Calcium Glycerophosphate	Crospovidone (PVPP)	Fructo-oligosaccharides	Lactose Monohydrate

Top 116 Excipient (Con't)

Lanolin Anhydrous	Microcrystalline Cellulose
Liquid Paraffin	Myristyl gamma-picolinium chloride
L-Malic Acid	N,N-Bis(2-hydroxyethyl) dodecanamide
Magnesium Citrate	Oleamidopropyl Betaine
Magnesium Glycinate	Para-hydroxybenzoic acid
Magnesium Lactate	Phenoxyethanol
Magnesium Stearate	Piroxicam Beta Cyclodextrin
Maltitol Solution	p-Menthane-3,8-diol/ PMD
Maltodextrin	Poloxamer 188
Methacrylic Acid Copolymer Dispersion	Polyethylene Glycol/ PEG
Methacrylic Acid Copolymer Type C	Polyquaternium
Methyl Parahydroxybenzoate	Polyvinylpyrrolidone/ PVP/ Povidone
Methylsulfonylmethane/ MSM	Potassium Glycerophosphate

Potassium Sorbate	Sodium Laureth Sulfate
Pregelatinized Starch	Sodium Metabisulfite
Propyleneglycol/1,2-Propyleneglycole	Sodium Molybdate
SiliconDioxide/Colloidal Silicon Dioxide	Sodium Oleate
Simethicone	Sodium Salicylate
Sodium Alginate	Sodium Starch Glycolate
Sodium Benzoate	Sodium Stearyl Fumarate
Sodium Bicarbonate	Sodium Tetraborate
Sodium Carbonate	Sorbitan monolaurate/ Span
Sodium Erythorbate	Starch (potato base or corn base)
Sodium Fluoride	Succinic Acid
Sodium Gluconate	Talc Powder
Sodium Glycinate	Taurine/ 2-Aminoethanesulfonic acid

Top 116 Excipient (Con't)/ Top 42 Culture Media & Enzyme

Excipient
Titanium Dioxide
Tocopheryl acetate
Triethyl Citrate
Tween/Polysorbate 20, 40, 60, 80
Vitamin K2/MK-4 or MK-7
Wax
Whey Protein Isolate
White Vaseline
Xanthan Gum
Xylitol
Zinc Oxide
β- Carotene powder or oil

Culture Media & Enzyme - 42 products		
Agar Agar Powder	Columbia Blood Agar Base	Peptone
Aprotinin	Eosin Methylene Blue Agar	Peptone Bacteriological
Bacteriological Agar	Hyaluronidase	Potassium Tellurite
Baird-Parker Agar Base	Hydrolysed Protein Yeast	Potato Dextrose Agar(PDA)
Beef Extract Powder	Lactobacillus MRS broth	Proteose Peptone
Bismuth Sulfite Agar	Liver Extract Antitoxic Fraction	Sabouraud Dextrose Agar (SDA)
Blood Agar Base	MacConkey Agar	Trypsin
Brain Heart Infusion Agar	Mannitol Salt Agar	Trypsin-Chymotrypsin mix
Brilliant Green Agar	MRS Agar	Tryptic Soy Agar (TSA)
Bromelain	MRS broth	Tryptic Soy Broth(TSB)
Brucella Broth	Mueller Hinton Agar	Tryptone
Casein Peptone	Pancreatin	Vogel - johnson agar
Cetrimide Agar Base	Papain	Xylose Lysine Deoxycholate Agar
Chymotrypsin	Pepsin	Yeast Extract Powder
